

Instructions for Oral Presenters

Please prepare your presentation according to the following instructions.

Deadline for submitting your presentation: 10 October 2026.

STRUCTURE OF THE PRESENTATION

Title slide	Abstract title, authors' names, affiliation, contacts and conference name.
Disclosure	Include a disclosure slide, stating any potential conflicts of interest, or simply writing “No disclosures” if none exist.
Introduction	Brief background and context. State the research problem and why it matters.
Objectives & Research Questions	Clearly state the aim and key questions/hypotheses.
Methods	Summarize design, data, and analysis approach. Use visuals (flowcharts, diagrams) instead of text-heavy slides.
Results	Present only the most important findings. Use graphs/charts for clarity.
Discussion / Conclusion & Future Work	Highlight the contribution to the field.

GUIDELINE FOR SLIDE DESIGN

PowerPoint Aspect Ratio	16:9 (Widescreen)
File Type	.pptx
Font Type	Arial
Font Size	Minimum 24 pt
Number of Slides	Maximum 10
Colour Theme	Light Colors
